**Of the Laws of Ecclesiastical Polity, Book 1
Richard Hooker**

Hooker resolved to investigate the position of the English Church, and to attempt to answer the question What is the basis upon which Church laws and Church government rest? And his magnum opus 'The Laws of Ecclesiastical Polity' was the result.

The design of *The Laws of Ecclesiastical Polity*, as stated by Richard Hooker, was to settle current controversies concerning religion and government, and "to resolve the conscience, and to show as near as I can what in this controversy the heart is to think, if it will follow the light of sound and sincere judgment, without either cloud of prejudice, or mist of passionate affection." - Summary by Vernon Staley
